

1 July 2014

Specification change to Lightweight moulded model RDH-3P1

LED change to dehumidifier RDH-3P1

From October 2014 production, the power LED in the RDH-3P1 will change as the manufacturer has discontinued the part used.

The current model power-on LED glass is green and bright green powered. The replacement LED will be colourless/clear when unpowered and bright green when powered
